

Central Body Control Module Research Program Phased Research Approach

The Source for Critical Information and Insight™

Body Control Module Research Program

- Different phases for this research programme have been initiated

Database Variant	Database Fields	Phase 1	Phase 2	Phase 2a	Phase 3	Phase 3a
Basic Body ECU Supplier Forecast	Main Body ECU Supplier	x	x	x	x	x
Body ECU Name and Type added	Main Body ECU Type		x	x	x	x
Body ECU Functions added	Main Body ECU Name		x	x	x	x
	Main Body ECU: Functions Controlled Y/N		x	x	x	x
Body ECU Functions listed if function is controlled	e.g. Main Body ECU Lighting Functions			x	x	x
	e.g. Main Body ECU Door Functions			x	x	x
Remaining body related ECUs added					x	x
Remaining body related ECU functions listed if function is controlled						x
